Sports Report #2

Keeping Active, Having Fun and Playing Fair

Welcome to Our Second Issue!

Our very own Champions

Sophie Playing at the Top of the Girls Super League

Sophie Riley in year 5 is in the **final** for the Bexley District girls U11's to decide who will win this season's league. The match of Bexley vs Orpington will be played at Maidstone FC's home ground, Gallagher Stadium on Saturday 4th May. Her family and Miss Moore will be there to support Sophie all the way to the top of the District League! Sophie is not only a fantastic footballer but a super Sports Champion, Netballer and one of Burnt Oak's Sports Role Models.

We all wish Sophie the best of luck in the final and look forward to hearing about it!

Burnt Oak Juniors - tackling congestion head on with Sustrans Big Pedal

Between 25th March and 5th April nationally the Big Pedal event took place. From Monday 1st to Friday 5th April, the whole of Burnt Oak joined in the Sustrans Big Pedal competition. This was a **5 DAY** challenge to encourage pupils to travel by bike, foot or scooter to and from school **75%** of pupils took part.

This year's competition was backed by Angellica Bell, British Television, Radio Presenter and Cycling Advocate, who took on the 'Tour de Celeb' in 2016 and found a passion for cycling.

New research shows four in ten children are breathing toxic air at school, leaving pupils at an increased risk of developing lifelong conditions including asthma[i]. Walking and cycling can play a key role in helping to boost children's activity levels and reducing air pollution by leaving the car at home.

At Burnt Oak we are always looking for ways where we could reduce traffic and help reduce air pollution around our school, whilst creating an environment in which cycling and walking is safe.

A pupil in year five said "We really enjoyed taking part in the Big Pedal. I noticed less cars outside school and I feel healthier too. I hope to carry on walking and cycling more often to school"

Sally Barrett the Road Safety Officer for Bexley came into school to lead an assembly on awareness before the event took place.

Well done to everyone who took part!

Burnt Oak's Boys Football Team

MADE IT TO THE REGIONAL FINALS

Burnt Oak Boys represent Charlton Athletic in the EFL Regional Finals at Oxford

Burnt Oak's super eight travelled to Oxford United's home ground on Friday 15th March to take part in the Regional Finals of the EFL Cup. Dressed in Charlton's official kit, the team were involved in a thrilling five match battle against other strong competitors; Gillingham, Coventry, Oxford, Portsmouth and Wycombe. The rivalry was fierce before even playing a match and the boys played their hearts out for every one of their five games. However, it wasn't to be and the team didn't go through to the finals at Wembley. Nonetheless, it was a great honor to represent Burnt Oak and Charlton Athletic and Miss Moore is so proud of them all. A special thanks to Oscar's mum for the half – time oranges, and to Mr Brown and Mr Mahon who also attended the day with us.

How did it feel to represent Burnt Oak?

"There were some really great teams that we played against" Freddie

"What a great experience!" Killan

"It was a great day out to Oxford but the results didn't quite go our way" George and Ray

The Burnt Oak Netball Team Have Completed and Succeeded the High Five Netball League

Our Netball squad has been extremely busy since the start of this academic year. Training every Thursday, playing fixtures fortnightly and maintaining spirit throughout every single game. We're proud to say that we finished 5th in the league and look forward to the Pioneer Cup Day against our other schools in the academy.

The hard work, commitment and passion has been evident throughout our club, so thank you to ALL players, parents and other members who have supported our netballers this year. Friendly matches will be coming up to allow for anyone interested in years 5 & 6 to play for the school and perhaps to try out for the squad next year!

Interview with Miss Smith

Burnt Oak's Netball Professional & First Coach

At what age did you first play netball?

"I started playing Netball in Primary School so I was probably 9/10

What position did you play?

"The position I used to play was Goal Shooter"

Do you still play now?

"No but sometimes during training I like to get the ball and try to shoot"

Do you get nervous before a match?

"Yes and no. Yes, because I don't know whether our training is going to pay off. No, because I believe in us"

What has been your favourite match with the team this season?

"My favourite match has probably been when we played Upton"

Who is your favourite sports hero that you look up to?

"All Athletes but especially Jessica Ennis Hill"

What other sports do you enjoy playing?

"I enjoy playing tennis and badminton"

What one word best describes you?

"Sporty or caring"

BE ACTIVE

On Friday 15th March, the WHOLE SCHOOL spent their playtime dancing to two songs chosen and lead by Miss Moore:

Apache – Jump on it and The Cupid Shuffle

It's safe to say that Mr Woodhams lead the boys to success with his fantastic effort alongside Miss Tomlin also stepping up for the boys. The girls enjoyed moving and groovin' in time.

Miss Denman joined in and had heaps of fun! Great Spirit, great vibes and great dancing – all for charity!

A big thank you to Mr Barrett for filming using his 360° camera to gain a snapshot of the whole playground dancing!

Celebrating the achievements of heroes working within primary schools across London

Burnt Oak's very own sports hero Miss Moore, was selected to attend the active school hero event at the London Stadium to meet some famous faces and discuss with them how they became great sports icons. Miss Moore was nominated as an activity influencer, **one in twelve** across all of the Outer London Boroughs. Her role is to promote staff who work within primary schools to come forward and showcase the fantastic work that they do on a day-day basis.

She met with Adam Gemeli, the British Sprinter who was European Champion of the 200 metres in 2014 and part of the 4x100 metres relay team who won gold at the World Championships in 2017. Also with Siobhan-Marie O'Connor, one of Great Britain's most successful female swimmers, having won medals at every level of competition including silver at the 2016 Olympic Games in the 200m Individual Medley. Presenting the event was DBE Tanni-Grey Thompson!

Together they discussed influencers in their own primary schools who helped them to believe in themselves, find something they were good at and keep trying - never to give up!

CONNECT

Miss Moore's influencers: *My whole family. We were always active and out doing things on weekends; swimming, athletics, football, trampolining - all around our local area. I remember my nan and grandad taking my brother and I to Bexley Athletics Club to watch, instantly we joined in and everyone has supported us at fixtures and competitions ever since! I never did manage to beat him in the High Jump! There was some rivalry between Adam and myself as his former Athletics club was Blackheath and Bromley, so we used to race against one another!*

Adam & Siobhan's influencers: *individual teachers who recognised their talents and lead them choosing pathways to success.*

A lovely evening for Miss Moore to be recognised and share conversations with directors and managers involved with initiatives that are running across the UK, promoting health and well-being in schools.

Well done Miss Moore!

Tag – Rugby League at Beth's Grammar School

On Wednesday 6th March, our Tag – Rugby League Team played at Beth's Grammar School for their first competition. They played extremely well and even had time to play a friendly at the end of their round - robin tournament against West Lodge Primary School.

A very big thank you to all of the Bexley Young Sports Leaders for refereeing the games and ensuring fair play throughout.

The 2019 International cricket World Cup

TAKE NOTICE

With the preparations in full swing, it's only a few months away until Morgan's men take the mighty stage for the 12th ICC world cup. The first overs start on the 30th May and will be played at the world famous Oval ground - England vs South Africa.

It is the fifth time that the Cricket World Cup will be held in England and Wales, following the 1975, 1979, 1983 and 1999 World Cups.

Roots, Butler, Bearstow will all be in action and if you weren't lucky enough to bag one of the golden tickets to the matches then there are other ways to follow the live coverage from Test Match special to games live on Sky Sports Cricket. You can also stream the match live via the SkyGo app.

The tournament schedule involves a single group of ten teams, with each team playing the other nine teams, and the top four teams progressing to a knockout stage of semi-finals and a final to be played at Lords.

The full list of team fixtures are available on this link:

Lunchtimes – **Football Fanatics and many more!**

J & C coaching run our lunchtime clubs that open to all year groups Monday – Thursday. The sports vary and the focus for learning changes every day. A very big thank you to your coaches Taylor and Sammi who run the provision here: promoting values, fair play and equality. Check out their blog page: J & C Blog

We saw over 55 adults come in to support their children on Thursday 14th February, for our YEAR 4 IPC topic Active Planet – 'Music and Dance Showcase'! Dances ranged from icebergs, to volcanic eruptions and the piece of music composed by the children was based on Benjamin Brittons 'Storm'

Year 5 **Golf Academy** started on Thursday 7th March with our specialist golf coach, Joe. We're looking forward to the Pioneer Competitions held this year at The Bromley Golf Centre!
